Restriction by Original Presentation

Newly submitted claims 18-23 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: The originally presented claims recited a management apparatus for managing a device.

Subsequently, applicant cancels all claims directed toward this invention to shift the scope of the invention toward a separate and distinct device of a user communication apparatus and service device communicating for communication over a network.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 18-23 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

The amendment filed on Aug 17, 2005 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because of the reasons provided above.

Art Unit: 2626

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
